Our jeweler, Gaston Crawford, accompanied by his brother, A. B. Crawford, leave in the morning (Sunday,) for Telluride, Colorado. — Gallup Gleaner.

Rev. Whittamore of Florence arrived Friday and visited with Rev. H. P. Corser until Monday, when he left for Chicago to attend the Presbyterian General Assembly.

The Santa Fe are making extensive improvements in the water system of the Atlantic & Pacific. Large reservoirs are being constructed at Walnut, Seligman and Ash Fork.

All persons interested in baseball will meet at the ball ground, Sunday afternoon. A captain is to be elected and other necessary steps taken to arrange nine for the season.

Any person or persons having baseball property, in the way of balls, bats, suits, masks or gloves, will please leave same at the Pioneer Drug Store. By order of COMMITTEE.

Mrs. F. J. Browning arrived Saturday morning from Portland, Ore., and found it as happy as a lark. Mr. and Mrs. Browning have gone to house-keeping in the W. G. Dickinson residence.

The services at the Presbyterian church next Sunday will be as usual. Preaching by the pastor morning and evening. The subject for the evening service will be, "The Man Hard to Please."

Contractor J. C. Milligan started up his brick yard at the sandstone quarry Monday. He will furnish the Greenlaw Lumber company with 10,000 brick for the furnaces for their new boilers.

A. B. Crawford left Saturday evening for Telluride, Colo., where he will locate. We are sorry to lose such a good citizen as Mr. Crawford, but hope he will meet with success in his new field.

The Phoenix Gazette says: Not many Phoenix people will be hounded into dropping their money in Los Angeles this summer when Prescott and Flagstaff offer such inducements and attractions.

Flagstaff Meat Market is the only place in town to buy fresh meats. Everything kept in the butcher's line, such as beef, mutton, pork, sausage, wild game, fish, etc. Garrett & Hennessy, proprietors.

The ladies of the Presbyterian church are arranging for a big social to be given in Bobbitt's Opera House Thursday, May 27. An elaborate entertainment is being provided. For further particulars see small bills.

We are glad to learn that Mrs. E. R. Bayless, who has been very ill the past six weeks, is greatly improved and completely out of danger. Her many friends are hopeful of her rapid recovery to her old time health and vigor.

The Greenlaw Lumber Company are kept very busy these days. They are supplying the Atlantic & Pacific

(now the Santa Fe) with ties, having a one year's contract with the railroad company, and as considerable improvement is being made in the road-bed orders for ties are coming in pretty strong.

A T. Cornish returned from St. Louis Tuesday, where he had been to negotiate the sale of the waterworks bonds. Mr. Cornish sold the bonds, but had to cancel the sale, as announced in another column.

Inspector Al Doyle has been kept on the jump the past few weeks looking out for illegal branding and prosecuting rustlers. He recently made a trip to the northern part of the county after some rustlers and broke up their operations.

Deputy Sheriff F. Fairchild brought down two prisoners from Williams Tuesday night. One of them, by the name of H. J. Cook, had been given 30 days, and the other, Thomas Cole was given 90 days by the Williams Justice courts.

Sheriff Ralph Cameron and Sheriff Ruffner came in this morning from Parker's trail, which they had left in the Bill Williams mountains. They had in their custody Ed Gattlin, wanted in Graham county, and lodged him in jail here.

There were shipped from here Saturday 724 head of cattle to Dodge City, Kans. Wilbur Thurlur and a number of Verde cattlemen were the shippers and the stock was purchased by A. G. Grimes, the cattle buyer. Pretty good record for one day.

City Clerk C. A. Bush went to Williams Monday afternoon to consult with Resident Engineer R. B. Burns, who has been engaged by the City Council of Flagstaff to draw up the plans and specifications for the construction of our waterworks system.

John L. Thomas, a rancher on Oak Creek canyon, was in Flagstaff last Thursday and reported everything looking green and beautiful in the valley. The strawberry crop will be a big one this year and the berries will commence to ripen by the 1st of June.

A baggage car attached to No. 1 containing quite a menagerie attracted considerable attention Saturday. There were several mountain lions and other animals, all thoroughly trained, and were on their way to Los Angeles, where they will be exhibited at one of the theaters.

C. O. Cushman, Needles' next postmaster, was a passenger on No. 1 from Albuquerque Tuesday. Mr. Cushman is at present traveling salesman for Brown, King & Co. of Chicago, and also represents the Albuquerque Citizen in a business way and as special correspondent.

The object glass of the Lowell telescope arrived from the City of Mexico Friday and was immediately conveyed to the observatory and adjusted. Observations are now being made by the Astronomers. Professor Lowell is detained in Boston by a slight illness, but will be here in a few days.

The people of Williams are cordially invited to come up to Flagstaff on July 5, and participate with us mountaineers in celebrating the nation's birthday. Williams visitors will be warmly welcomed and treated as our most honored guests. Let the people from Bill Williams mount and charter a train and come on; room for all.

The mineral belt southeast of town possesses numberless encouraging features. A few of our townsmen have been faithful friends to its prospects. Careful inquiry justifies their faith. One of the first things needed is deeper and more connected work than the lodes there have received in the past. Judicious openings at any time may uncover bonanzas that will surprise the most sanguine.

Captain John Hanco arrived Tuesday from his Grand Canyon home. He reports the recent heavy rains on the Utah desert to have caused the Colorado river to rise until it is now within two inches of the rim of the Canyon, making the river nearly a mile and a quarter deep. The Captain is hopeful that the overflow will not be great enough to do any damage to the San Francisco mountains, but it is hard to tell what will happen, he says.
